

SIGMOD 2013 CALL FOR RESEARCH PAPERS
ACM SIGMOD International Conference on
Management of Data

New York City, New York, USA
Millennium Broadway Hotel, Times Square
June 23-28, 2013

<http://www.sigmod.org/2013/>

General Chairs:

Kenneth A. Ross (Columbia University)
Divesh Srivastava (AT&T Labs-Research)

Program Chair:

Dimitris Papadias (HKUST)

Program Committee Group Leaders:

TBD

Proceedings Chair:

TBD

Tutorial Chair:

TBD

Keynote and Panel Chair:

TBD

Industrial Program Chair:

TBD

Demonstration Chair:

TBD

Workshop Chair:

Christian S. Jensen (Aarhus University)

Undergraduate Research Program Chair:

TBD

Finance Chair:

Graham Cormode (AT&T Labs-Research)

Finance Vice-Chair:

Flip Korn (AT&T Labs-Research)

Publicity/Social Media Chair:

Amelie Marian (Rutgers University)

Sponsorship Chairs:

Divyakant Agrawal (University of California at Santa Barbara)
Dennis Shasha (New York University)

Exhibits Chair:

Mustafa Canim (IBM)

Local Arrangements Chairs:

Cong Yu (Google)
Wendy Hui Wang (Stevens Institute of Technology)

Registration Chair:

Jerome Simeon (IBM)

Demonstration and Workshop Local Arrangements Chairs:

Bishwaranjan Bhattacharjee (IBM)
Tasos Kementsietsidis (IBM)

Web/Information Chair:

Hila Becker (Google)

The annual ACM SIGMOD conference is a leading international forum for database researchers, practitioners, developers, and users to explore cutting-edge ideas and results, and to exchange techniques, tools, and experiences. We invite the submission of original research contributions relating to all aspects of data management defined broadly, and particularly encourage submissions on topics of emerging interest in the research and development communities.

TOPICS OF INTEREST

Topics of interest include but are not limited to the following:

- Storage, Indexing and Physical Database Design
- Query Processing and Optimization
- Text Databases, XML, Keyword Search
- Cloud Computing, Map Reduce, Parallel, Distributed, P2P Systems
- Security, Privacy, Authenticated Query Processing
- Aggregation, Data Warehouses, OLAP, Analytics
- Streams, Sensor Networks, Complex Event Processing
- Knowledge Discovery, Clustering, Data Mining
- Spatial, Temporal, Multimedia and Scientific Databases
- Graph Management, Social Networks
- Systems, Performance, Transaction Processing
- Database Models, Uncertainty, Schema Matching, Data Integration

SUBMISSION GUIDELINES

All aspects of the submission and notification process will be handled electronically. Submissions must adhere to the paper formatting instructions. Research papers will be judged for quality and relevance through double-blind reviewing, where the identities of the authors are withheld from the reviewers. Thus, author names and affiliations must not appear in the papers, and bibliographic references must be adjusted to preserve author anonymity. Submissions should be uploaded at <https://cmt.research.microsoft.com/SIGMOD2013/>.

For SIGMOD 2013, there will be a “revise and re-submit” option to replace the feedback and shepherding mechanisms of previous conferences. The submissions to be revised will be accompanied with concrete suggestions for improvement, and will go through a second round of reviews.

IMPORTANT DATES

Nov 13, 2012: Research papers due
Feb 5, 2013: Notification of acceptance, rejection, revision
Mar 5, 2013: Revised papers due
Apr 9, 2013: Notification of acceptance, rejection for revised papers
Apr 16, 2013: Camera-ready deadline
